

FIR-4

Nothing can be entered in "Search" after field "Вся Украина" is field with nonexisting city

ИСПОЛНИТЕЛЬ

Без назначения

Антон Купчиков

Описание

1.Go to https://www.olx.ua/.

2.Enter the wrong city name in the field "Вся Украина".

3.Press Enter.

4.Click on the search bar, try to enter some characters.

Expected result: Search should be working as expected, there is ability to enter characters into it.

Actual result: The search bar doesn't work. Nothing can be entered into search field.
